FRAME

The spaces we inhabit become, with the passage of time, a living canvas of our lives, keeping the traces of those who have passed through its corners. Frame was born with this idea, a collection that winks at the portraits that decorate the walls of unforgettable moments. Frame is an excellent choice to recreate better atmospheres, in bathrooms and kitchens, to experiment freely with the shapes and colors of the new Carmen collection.

Los espacios que habitamos se convierten, con el paso del tiempo, en un lienzo vivo de nuestras vidas, guardando las huellas de quienes pasaron y recorrieron sus rincones. Con esta idea nace Frame, una colección que hace un guiño a los retratos que decoran las paredes de momentos inolvidables. Frame es una elección excelente para recrear mejores atmósferas, en baños y cocinas, para experimentar con total libertad con las formas y colores de la nueva colección de Carmen.
